

The Elegant USB Flash Drive is probably the most elegant USB memory stick in our range. Made from high quality, shock proof plastic, the 2 piece Elegant composed of stick and cap, is perfect for transporting saved data securely. A flashing green LED light indicates the reading and play-back of data. Available in five colours, with a polished matt surface and a silver hue, the Elegant adds flair to any workplace. Printed with your logo this is a stylish client gift that will serve as a constant reminder.
