Quick delivery

Item no.:X10350

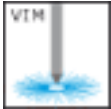

Plastic

The Elegant USB Flash Drive is probably the most elegant USB stick in our range. Produced in high quality shock proof plastic, the 2 piece Elegant consists of a stick and a cap making it the perfect solution for the transportation of data. A green flashing LED light indicates when data is being read or played-back. Available in five colours, with a matt finish and a silver hue, the Elegant adds flair to every workplace. Printed with your logo, this makes a stylish gift for your clients, which will leave a lasting impression.
